

and the

are teaming up to help kids in crisis!

**Only \$125  
a box!**

Now your club can purchase 2, 3 or even 4 boxes to give to your local hospital, fire and/or police dept., dentist, day care center or wherever you feel the need is. These boxes are filled with 12 adorable teddy bears that are on call day and night for any child that is traumatized and is in need of a bear to hug! This is one way that the child can be comforted and feel safe at the same time. The child will then keep the bear to love forever. So won't you help a child in need today and support the KPTC!

This is a way to spread the word about KPTC and comfort a hurting or sad child .

*Tear off the order form below and give to Gov. Joe at the KPTC table or mail it to;*
